Decided to jet off on holiday ? then you'll need to demonstrate your COVID-19 vaccination status.

You can get your vaccination status in digital or paper format; either by clicking on the link below or calling the NHS helpline direct on 119.

How to access your COVID-19 vaccination status :

You can access your COVID-19 vaccination status through the free [NHS App](#) from 17 May. You can access the app through mobile devices such as a smartphone or by tablet. Proof of your COVID-19 vaccination status will be shown within the NHS App. We recommend that you register with the app before booking international travel.

If you do not have access to a smartphone and know that the country you are travelling to requires COVID-19 vaccination status, you can call the NHS helpline on 119 (from 17 May) and ask for a letter to be posted to you. This must be at least 5 days after you've completed your course of the vaccine. We expect the letter to take up to 5 days to reach you.

Do not contact your GP surgery about your COVID-19 vaccination status. GPs cannot provide letters showing your COVID-19 vaccination status.
